PROFILE

Ambitious and detail-oriented Data Scientist, currently working on a B.Tech in Computer Science and Engineering with hands-on experience in designing and developing real-time machine learning and data analytics projects. Proficient in Python, Java, SQL, and data visualization tools, with strong statistical analysis, predictive modeling, and data preprocessing abilities. Experienced in mapping complex datasets into actionable insights to enable business decision-making. Enthusiastic about using technology and data-oriented techniques to address real-world issues and help facilitate innovation in a dynamic, high-energy setting.

WORK EXPERIENCE

May – July 2025
Hebbale academy | Bengaluru(Online)
Full-Stack Web Development Intern

- Developed and deployed full-stack web applications on the AWS Cloud using S3 Buckets for hosting and storage.
- Implemented serverless functions using AWS Lambda with Python to handle backend logic and automation..
- Designed responsive frontend interfaces using HTML and CSS, ensuring a smooth user experience.
- Integrated DynamoDB for efficient data storage and retrieval, leveraging the HAWCC platform for deployment and management.

February – March 2024
GIET University | Raygada(offline)
Machine Learning Intern

- Completed a Machine Learning internship at GIET University, where I developed a Breast Cancer Prediction model using Python and data science techniques. Gained practical experience in data preprocessing, feature selection, model training, and evaluation. Strengthened understanding of supervised learning algorithms and real-world applications of AI in healthcare analytics.

EDUCATION

2023 - 2027
GIET UNIVERSITY

- Bachelor in Computer Science and Engineering

2021 - 2023
APEX ENGLISH MEDIUM SCHOOL

- intermediate

SKILLS

- Python and Java programming
- Data cleaning and visualization
- Power BI proficiency
- Advanced Excel skills
- Data gathering techniques
- Problem-solving skills
- Analytical thinking
- Web Development

CERTIFICATION

- **Data Science, Techdynamo**
- **Web Development, Udemy**
- **Industry Exposure Program(IEP)-Python & AWS**
- **And more on LinkedIn Profile**

LANGUAGES

- English
- Hindi
- Odia
